### **Do we use cookies?**

Yes we do. A cookie is a piece of text that is stored on your computer by your web browser. We use cookies to monitor how people use our site. This helps us to understand how our customers and potential customers use our websites so we can develop and improve their design, layout and more relevant content.

We use a number of different cookies on our site. If you do not know what cookies are, or how to control or delete them, then we recommend you visit <http://www.aboutcookies.org> for detailed guidance.

The list below describes the cookies we use on this site and what we use them for. Currently we operate an 'implied consent' policy which means that by using our website you agree we can place these types of cookies on your device. If you are not happy, then you should either not use this site, or you should delete the cookies having visited the site, or you should browse the site using your browser's anonymous usage setting (called "Incognito" in Chrome, "In Private" for Internet Explorer, "Private Browsing" in Firefox and Safari etc.)

- **Third Party Cookies**

These are cookies set on your machine by external websites whose services are used on this site. Cookies of this type are the sharing buttons across the site allow visitors to share content onto social networks.

Cookies are currently set by

- Facebook

In order to implement these buttons, and connect them to the relevant social networks and external sites, there are scripts from domains outside of our website. You should be aware that these sites are likely to be collecting information about what you are doing all around the internet, including on this website. You should check the respective policies of each of these sites to see how exactly they use your information and to find out how to opt out, or delete, such information.

### **Blocking & deleting cookies**

Most browsers allow you to refuse to accept cookies. For example:

- Internet Explorer - to refuse all cookies click "Tools", "Internet Options", "Privacy", and select "Block all cookies" using the sliding selector

- Firefox - to block all cookies click "Tools", "Options", and un-check "Accept cookies from sites" in the "Privacy" box or select "Clear private data" if you want to delete all cookies.
- Chrome - click on the Chrome menu in the toolbar, click on "settings", click on "advanced settings", choose "Privacy" section, then click on " Content settings" button and choose either block or delete as appropriate.

Blocking or deleting all cookies will, however, have a negative impact upon the usability of many websites.
